

BEACH RIDES

Why not treat your self to the dream of riding on the beach and in the sea. Canter through the waves, gallop along the wide open beach and feel the exhilaration.

These sessions are for experienced riders only. They must be able to control a horse a full gallop in an open space and have been riding recently. These sessions are only available for riders of 14 years and over.

NVQ TRAINING LOCATION

We are a British Horse Society (BHS) training location for Ceredigion Training. We have working students studying for NVQ levels 1, 2 & 3.

ABRS APPROVED RIDING CENTRE

As well as an Association of British Riding Schools (ABRS) approved Riding School we are also an ABRS Coaching and Examination Centre for a range of ABRS Examinations. We run progressive tests for regular riders to achieve certificates for riding as well as stable management.

HOW TO GET TO MARROS RIDING CENTRE

We are situated about 18 miles from Carmarthen & 10 Miles from Tenby on the road between Amroth & Pendine

FROM PENDINE

Take the hill out of Pendine & turn left at the top, signposted to Amroth & Saundersfoot (brown sign Marros). Pass the Greenbridge Inn on your right and proceed up the hill until you pass Marros Church on your left. 200 hundred yards past the church you will find our main entrance on the left.

FROM SAUNDERSFOOT Follow the coast road to Pendine through Wiseman's Bridge and Amroth until you see the main entrance to the Riding Centre on the right hand side.

FROM A477 (CARMARTHEN TENBY ROAD) Turn left at Red Roses take the road opposite the Sporting Chance Inn signposted Pendine. Proceed to the first crossroads (By the lay by). Turn right signposted Amroth & Marros, follow the brown horseshoe sign. At the end of the road turn right at the Greenbridge Inn. Proceed up the hill until you pass Marros Church on your left. 200 hundred yards past the church you will find our main entrance on the left hand side.

SAT NAV USERS the post code is SA33 4PN. However do not turn down the track at the side of the church our entrance is directly off the road.

Members of WTRA, CTA, & FSB

TREKS / HACKS

Riding our horses in the local area, we can take all levels of riders. We offer separate groups based on the ability of the riders. Mixed ability groups can be taken provided the more experienced riders are aware that the ride will go at the least

experienced riders pace. Total beginners or nervous riders are welcome.

COMBINATION SESSIONS

Due to popular demand we offer groups of riders a half hour riding lesson followed by a half hour trek. This is ideal for beginners to gain some confidence on horseback inside our covered school.

The lesson covers the basics of starting & stopping the horse, turning left & right. It also gives the rider the chance of experiencing the sensation of trotting in the safer environment of one of our schools.

This is also a good session for the "rider" of the family to show their skills to the other members of the family in the safety of the school before venturing out for a ride.

TUITION

We have an indoor and an outdoor school. We specialise in teaching, having lessons for total beginners, nervous riders, riders with disabilities and more mature riders that may be returning to riding after a break of what might be many years as well as the more experienced riders. We also offer lessons for people wishing to take exams. We can accommodate riders from 4 years of age.

OWN-A-PONY DAYS

Kids do you need a break from your Mom and Dad? Then get them to send you on one of our Own-A-Pony sessions where you will get to look after your own pony for the day.

These sessions are of either a half or a whole day in length. The day includes a lesson, a stable management session & a trek. Lunch is also included.

A certificate of completion is awarded at the end of the day.

Please Note Children must be 8 years old or over to attend these sessions, unless they are accompanied by an adult

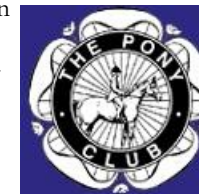

PONY CLUB

As we are a Pony Club approved centre riders who live locally have the opportunity to join the Pony Club. We hold monthly Pony Club Days with riding lessons, stable management activities & achievement badges going on throughout the day.

As a Pony Club Centre we are able to offer children without ponies the same activities as children who do.

MARROS MUNCHIES

For spectators and riders we have a coffee shop which overlooks the indoor school. Snacks and refreshments are available.

GIFT & TACK SHOP

We have a wide range of horse themed gifts, stationery, toys and ornaments.

We also sell riding hats, boots, jodhpurs, gloves, whips & body protectors.

LIVERY

A full range of livery services is available: Working and Full livery. Use of all our facilities is included. Stable management sessions are available to owners wishing to learn as much as possible about looking after a horse.
